The Community Forum is an opportunity for residents and local councillors to talk to Ward Councillors and representatives of Cheshire West and Chester Council about local issues and ideas for improvement.

The Forum will be held as a drop-in meeting with a focus on Sainsbury's, local housing issues, footpath networks and cycleways. There will be an update from Managers of Sainsbury's and the Developers about progress of the new store and local recruitment.

Representatives from The Hospice of the Good Shepard will also be there to talk about their work in the local area.
