Between the city centre and Hoole Lane the Black Route follows the Scarlet Route, this leads to Hoole and Vicars Cross. Both routes run along part of the Brown Route, which follows the canal towpath. Cyclists can take advantage of this off-road path to cycle out to the villages of Christleton and Waverton in one direction or to Ellesmere Port in the other. As the route approaches the city centre it joins the Blue Route, which loops around the city linking up with 7 other routes. Chester Railway Station is accessed via Egerton Street. The map below shows how the 11 coloured cycle routes link together.

Cycling Tips

The cycle paths, roads, bridleways and towpaths which make up the cycle routes in Chester are open to everyone.

Please follow these simple cycling tips to ensure your journeys are safe and enjoyable:

- On shared routes pedestrians may not be aware of your approach so be courteous, slow down, ring your bell and give them plenty of space.
- It is illegal to cycle on the footway unless it is specifically marked for cyclists.
- Cyclists should give way to pedestrians on shared paths.

Safety

Prepare in advance to keep safe when you are cycling.

- Wear reflective or fluorescent clothing for extra visibility.
- Use lights at night – front and rear.
- Wear a helmet which is a good fit.
- Keep your bike well serviced, check brakes, steering and tyres regularly.

There are also cycle storage lockers available for rental on a quarterly basis.
