Cycling Tips

The cycle paths, roads, bridleways and towpaths which make up the cycle routes in Chester are open to everyone.

Please follow these simple cycling tips to ensure your journeys are safe and enjoyable:

• On shared routes pedestrians may not be aware of your approach so be courteous, slow down, ring your bell and give them plenty of space.
• It is illegal to cycle on the footway unless it is specifically marked for cyclists.
• Cyclists should give way to pedestrians on shared paths.

Safety

Prepare in advance to keep safe when you are cycling.

• Wear reflective or fluorescent clothing for extra visibility.
• Use lights at night – front and rear.
• Wear a helmet which is a good fit.
• Keep your bike well serviced, check brakes, steering and tyres regularly.

Cycle Parking

There are also cycle storage lockers available for rental on a quarterly basis. These secure lockers can be found at the Wrexham Road and Boughton Heath Park and Ride Sites, as well as Princess Street, Gorse Stacks and Little Roodee in Chester City Centre.
