The Turquoise Route connects with the White Route. This runs from Sealand Road to Upton via Bache and The Countess of Chester Hospital. There is access at Deva Link to the Green and Brown routes, which give miles of off-road cycling along the Greenway and canal towpath. At Tower Road the Turquoise Route meets up with the Blue Route, which links together 8 routes connecting the outer districts of Chester to the city centre.

The map below shows how the 11 coloured cycle routes link together.
